Les Vignerons d'Estezargues, Rhone, France

Les Vignerons D' Estézargues is a co-operative cellar in the small town of Estézargues which is located near Avignon. Les Vignerons D'Estézargues is truly unique in the wine world. They take a fundamentally different approach to most wine co-operatives; starting in 1995 the ten different growers in this co-op began to vinify their wine separately and make single cuvées from their best plots. On the heels of the single cuvée evolution Les Vignerons D' Estézargues began to practice natural winemaking. Possibly one of the only co-ops in the world to do so, Les Vignerons D' Estézargues uses no external yeasts, no filtering, no fining and no enzymes are employed on the grapes during the winemaking process.

50% Grenache; 50% Syrah / Carignan. Purple, soft, juicy with blackberry and black pepper flavours. 14% ABV.
